The Board of Directors for the fifth annual Miss Lake of the Ozarks Scholarship Program would appreciate your consideration regarding becoming a sponsor. For those who are not familiar with our organization, the Miss Lake of the Ozarks Scholarship Program is one of approximately 24 local preliminary pageants in the Miss Missouri & Miss America system. This is a program in which any eligible contestant from within the state of Missouri can compete. Our goal is to give a \$1000 Education Scholarship to the winners as well as award scholarship to the runners-up.

The Miss America Organization is one of the nation's leading achievement programs and the world's largest provider of scholarship assistance for young women. Last year, the Miss America Organization and its state and local organizations made available more than \$45 million in cash and scholarship assistance. This assistance is not just for the handful of young women that become Miss America, but is available to over 12,000 young women who compete in the state and local competitions as well. Rich in history and social significance, the Miss America Organization is a not-for-profit organization that has maintained a tradition for many decades of empowering young women to achieve their personal and professional goals, while providing a forum in which to express their opinions, talent, and intelligence.
